

# FIGHT FOR YOUR FAMILY

The following is an excerpt from our book, *8 Steps in Fighting for Your Family*. This book, along with a brand new strategic personalized prayer journal is available for all of our partners this month.

## What to Expect

You are most likely reading this book because you want God's highest intentions for your family. Some of you have experienced disaster and torment and can't even imagine a family full of peace, love and laughter. Others of you have a stable environment, but you lack purpose and fulfillment in your family life. Many of you are praying very specifically for someone in your family who has lost their way. They are deceived, and your heart is saddened as they continue to follow the road of destruction, participating in sin and rejecting the God who loves them dearly.

God knows the desire of your heart. He has heard your cry and has not left you alone. It's time to dream again and then fight for your dreams. Your family situation is not a hopeless case – it's an opportunity for the miraculous unconditional love of God. This is not the time to give up or give in, but rather, to join in the strategy of God to bring your family into His Kingdom to enjoy the benefits of His unconditional love being expressed freely and openly.

## How to Fight

Embracing love means we no longer fight "against" one another, but fight "for" one another. We are not called to strike out or aggressively hurt those who are hurting us, but rather, to make a strenuous effort to love unconditionally. God asks us to make a vigorous effort to resist the enemy and be willing to continue the battle as long as it takes.

With intention, we must come into agreement with God's will for our families. It is safe to agree with His Word. It is

Together, let's refuse to merely sit back and hope for the best. God is able to accomplish even more – above and beyond whatever we could ask for, think of or imagine. Let's determine to fulfill God's commandment: To love the Lord your God with all your heart, soul, mind and strength, and love others as yourselves.

We're excited about the new beginnings God has for you and your family. Let God arise and His enemies be scattered! The power of His unfailing love will prevail!

**With intention, we must come into agreement with God's will for our families.**

His will and desire that each one in your family receives the saving grace of His Love. It is His desire that your family members become whole and restored, healed and set free. Your dreams of laughing together are His dreams as well!

Our prayers must be put into action. We need to speak aloud, praying for our family. We must begin thanking God for the work He is doing, even if it's unseen! We must never presume the outcome or dictate our timetable on God's journey for our family.

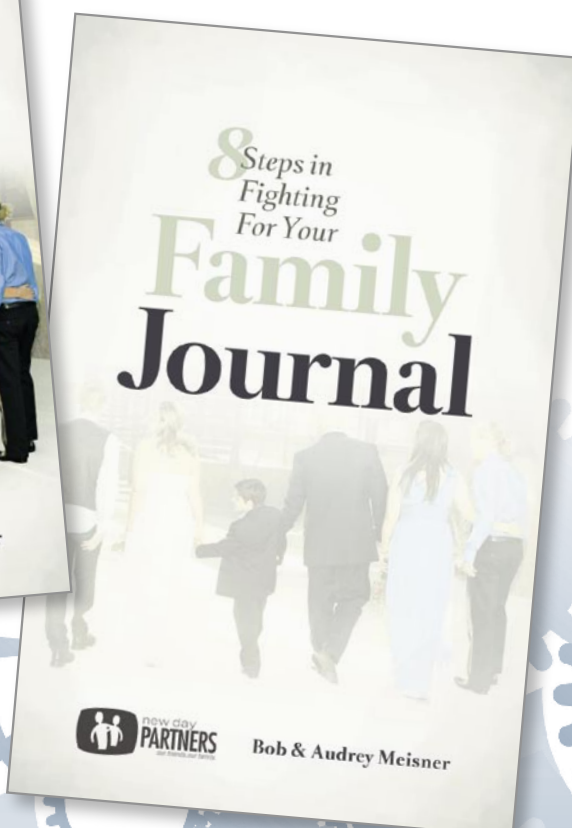

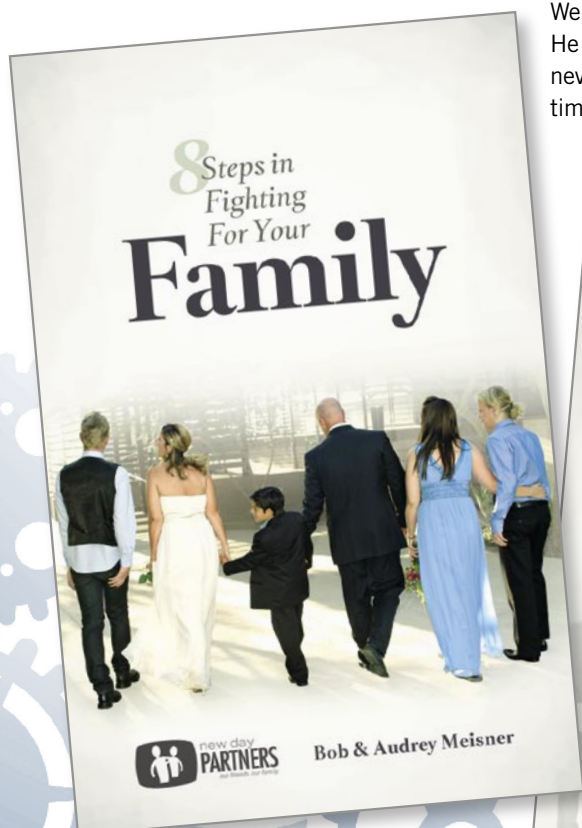

## Working Together

During **Partnership 2010**, it is our prayer that you will prayerfully consider and respond to the need that we have here at New Day Ministries. We will not stop fighting for your family, and bring you necessary teaching tools of how you can effectively communicate His love.

Thank you in advance for your love, friendship and financial support,

*Bob & Audrey*

P.S. Remember, as you become a partner this month, we will gratefully send you our book, *8 Steps in Fighting for Your Family* and the new personalized *Family Journal* that goes along with it!

**Our gift to you with your partnership commitment.**

# “WHAT (EXACTLY) DOES MY MONEY DO TO HELP?”

**Every gift makes a difference!** For example, every \$30 per month\* that you give represents about 100 people that are tuning their TV channels to *It's A New Day* and receiving the message of God's love, and hope for their future every weekday. Your gift is what makes this opportunity happen. Begin praying for those 100 people, as you are investing in their lives and paying for them to experience God's life-transforming grace! God knows exactly who they are.

\*(Configuring our viewing audience, using the number of 3,700 monthly partners needed at \$30 per month, and the amount we pay for airtime)

## 2010: FORGING AHEAD

This year we are reaching more people than ever!

- People are finding freedom in the gospel of Jesus every single day, and we have a guest line up for the rest of this year that is directly impacting our passion to fight for families, and communicate the grace, love and forgiveness of God and the good news that He wants to benefit our lives in every way.
- The weary are being refreshed!
- Our sights are set on investing in the 310 million Spanish-speaking persons in the world. Through visiting these different nations, we have discovered that there is a great need for books and materials in regards to marriage and family. We are working alongside leaders and pastors in Peru, Columbia and Mexico that share our passion, and we are beginning this project by translating our book, *Marriage Under Cover*.
- 2010 will be a landmark year for you, us, the Kingdom of God, the world, and this Gospel. We feel such a surge of “perfect timing!” Because of you we have the tools and resources to move ahead. Because of our New Day Family we will fulfill the commission to communicate the love grace and acceptance of God AND fight for marriages and families!
- Programs online are available anytime, and anywhere in the world.

## WE LOVE HEARING FROM YOU

“This is amazing. Today, on the program when you were praying, I thought for sure you could read my mind! Of course, the truth is God does know my needs, and He made sure I prayed with you today. Your guest and your prayer time pinpointed exactly where I was at, and I'm extremely grateful for the Holy Spirit...”

## GIFTS FOR HAITI

*It's A New Day* has the opportunity of meeting many different ministries and missions as we embrace a worldview of God's Kingdom. The country of Haiti has been on the forefront of the news after the recent devastating earthquake. If you have questions and concerns about where your money for Haiti could best be utilized, our recent guest, Bob Davisson has a trustworthy and effective ministry that not only supplies physical relief, but also brings hope and restoration in the salvation of Jesus. We highly endorse this ministry, and you can contact them directly and send in your finances to embrace this tremendous need to care for our precious brothers and sisters in Haiti.
